LOCATION & SURROUNDS

Welcome to Greenford Gate, an exclusive collection of 36 apartments in the heart of Greenford. Located just a few minutes from Sudbury Town and Sudbury Hill Underground Stations, Greenford Gate is well connected to transport.

Enjoy the benefits of a slower pace of life within easy reach of London, with numerous supermarkets, cosy cafes, and schools nearby.

Greenford Gate allows residents to enjoy one of the world's most dynamic cities, with direct access into London. Enjoy a quick commute to work or a cultured evening out, enjoying fine dining and world-class theatre.

There are five stations in the area: Sudbury Town Station (Piccadilly Line), Sudbury Hill Station (Piccadilly Line), Greenford Station (Central Line), and Harrow Road Station and Sudbury Hill Harrow Station, which are both served by Chiltern Railways. The area is home to the borough of Ealing's newest secondary school (William Perkin Church of England High School).

A reassuring sense of community is enhanced by numerous social spaces throughout the development, places where residents can gather for events or simply catch up over a cup of tea or an after-work drink.

This neighbourhood balances just the right amount of urban energy with a comfortable feeling of calm, thanks to the many green spaces nearby.

Sudbury Hill and Greenford have a lot to offer the active leisure seeker. The David Lloyd Leisure Centre provides a comprehensive range of group exercise classes and a friendly tennis club, and is the ideal place to spend family time. There are also many golf clubs in the area, including The North London Golf Academy Ltd, Horsenden Hill Golf Club, and the Sudbury Golf Club, which is a finalist for 'Club of the Year' at the 2019

Middlesex Golf Awards.

Sudbury and Greenford are home to vast green spaces. These include Horsendon Hill, a beautiful area of ancient woodland, grassland, ponds, and hedgerows that provides an opportunity to experience nature and escape from city life.

Westway Cross is the premier shopping park on the A40, located west of the London corridor. Its exciting array of shops includes Next, Smyths Toys, TK Maxx, Boots, Sports Direct, Costa, Nandos, New Look, and many more. The shopping park is within a 5-minute walk from Greenford Underground and Overground stations.

Harrow Town Centre is only a short distance away, and is home to two large shopping centres (St Anns and St Georges). It boasts many large department stores, restaurants, and cafes, as well as a cinema complex.

Harrow on the Hill is an affluent area of North West London, and is part of the London Borough of Harrow. The district includes the famous Harrow School.

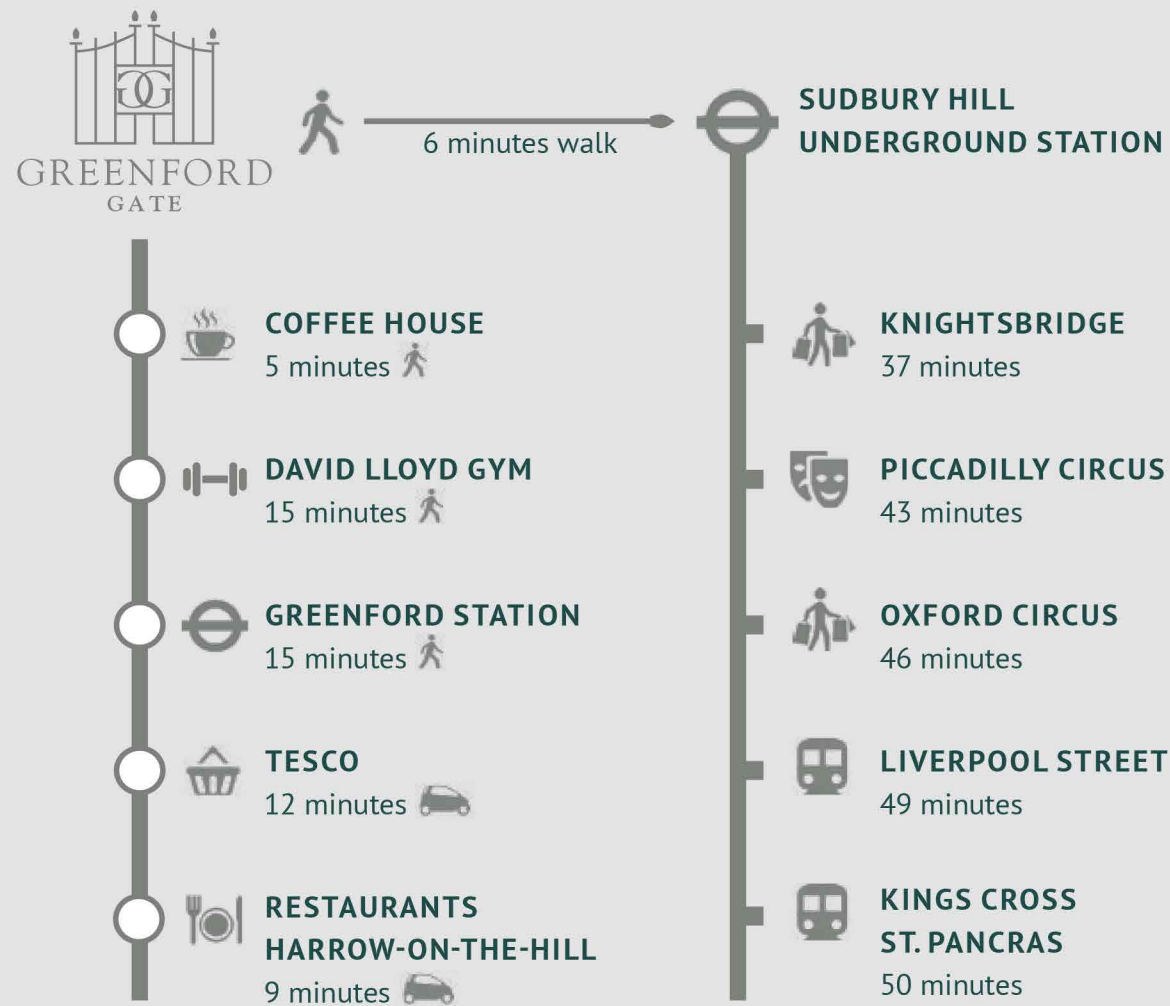

There are many local schools in the area that have earned a 'Good' or higher Ofsted report. Some of these include Roxeth Primary School, St Anselm's Catholic Primary School, St George's Primary School, Norbury School, and Horsenden Primary School.
